RE: Municipal Separate Storm Sewer System (MS4)  
2013 Storm Water Management Program (SWMP)  
Revision  
NPDES Permit No. GAG610000

Dear Mr. Schwartz:

The Environmental Protection Division (EPD) has completed a review of the City of Oxford's (City) 2013 SWMP Revision (Revision). The City, with the help of Mr. E. F. (Tres) Thomas, III, has worked diligently with EPD to revise the document so that it is reflective of the City's program and compliant with the new Permit. EPD appreciates the City's patience through this process.

EPD has received the latest revision and considers the 2013 SWMP acceptable.

If you have any questions, please contact me at 404/675-1632.

Sincerely,

Connie Haynes  
Environmental Compliance Specialist
