4. **Mayor's Report**
5. **Citizen Concerns**
Nick Cole praised the City for the recent capital improvements that have been made.
Anderson Wright discussed cemetery issues.
6. **Approval to Proceed on the new Cemetery Access Road (Attachment C)**
Erik Oliver made a motion to approve the bid from Peach State Construction for \$12,965. Jeff Wearing seconded the motion. The motion was approved unanimously (7/0).

7. **Authorization for the Mayor to sign the contract with Burford's Tree, LLC (Attachment D)**

Laura McCanless made a motion to approve the contract with Burford's Tree, LLC. Mike Ready seconded the motion. The motion was approved unanimously (7/0).

8. **Authorization for the Mayor and City Manager to sign the Authorization to Close the Water and Sewer Sinking Fund (Attachment E)**

Erik Oliver made a motion to approve the authorization to close the Water and Sewer Sinking Fund. Jeff Wearing seconded the motion. The motion was approved unanimously (7/0).

9. **Update on the Sewer Moratorium (Attachment F)**

George Holt made a motion to approve allowing the moratorium on the Catova Creek line to expire and extending the Turkey Creek line moratorium to July 1, 2024. Laura McCanless seconded the motion. The motion was approved unanimously (7/0).

10. **Vote to Adjust Salary for the City Manager, City Clerk, and Police Chief**

11. **Invoices (Attachment G)**

The City Council reviewed invoices paid for \$1,000 or more in the month of April 2024.

12. **Executive Session**

None.

13. **Adjourn**

Jim Windham made a motion to adjourn at 7:30 p.m. Laura McCanless seconded the motion. The motion was approved unanimously (7/0).

Respectfully Submitted,

Marcia Brooks
City Clerk/Treasurer

**OXFORD MAYOR AND COUNCIL
REGULAR SESSION
MAY 6, 2024 – 7:00 P.M.
CITY HALL – 110 W. CLARK ST. OXFORD, GA 30054
A G E N D A**

1. **Call to Order – Mayor David S. Eady**
2. **Motion to accept the Agenda for the May 6, 2024 Mayor and Council Regular Meeting.**
3. **Consent Agenda:**
 - a. *Minutes of the City Council Regular Session on April 1, 2024
 - b. Minutes of the Special Called Budget Work Session on April 4, 2024
 - c. *Minutes of the City Council Work Session on April 15, 2024
 - d. *Minutes of the Special Called Regular Meeting April 15, 2024
 - e. Minutes of the Special Called Budget Work Session on April 18, 2024
4. **Mayor’s Report:**
5. **Citizen Concerns**
6. ***Approval to proceed on the new Cemetery Access Road:** This was discussed at the 11/21/22 Council Work Session with a bid from Peach State Construction at an original bid of \$12,965. With the time interval, the new price is \$13,945, which is still less than the \$14,000 we had from HCS. We have \$17,000 budgeted in the FY24 Capital Budget for this project. Staff recommends proceeding with Peach State Construction.
7. ***Authorization for the Mayor to sign the contract with Burford’s Tree, LLC for Powerline Tree Trimming:** The City of Oxford travels under the Covington bidding for powerline tree trimming and thus saves money by having the local contractor already deployed in the area. Note: Although \$50,000 was budgeted, their work last year extended into the first week of July even though the contract stated it was supposed to be completed by June 30. We would like to see a full \$50,000 spent, but the account is a bit short because of that last week of work after June 30. The contract has been revised from \$45,000 to \$50,000 as discussed during the last Work Session.
8. ***Authorization for the Mayor and City Manager to sign the Authorization to Close the Water and Sewer Sinking Fund:** Please see the attached memo from Ms. Brooks. The closing of this account will save fees, paperwork, and time.
9. ***Update on the Sewer Moratorium:** The six-month city-wide sewer moratorium is set to expire on May 13, 2024. The City Council agreed to allowing the moratorium on the Catova Creek Line to expire and extending the Turkey Creek Line moratorium until July 1, 2024. Please see attached memo for details.

10. Vote to adjust salary for the City Manager, City Clerk and Police Chief: These adjustments would be based on recommendations from Councilman George Holt and were considered in Executive Session at the April 15 Work Session.

11. *Invoices: Council will review the city's recently paid invoices over \$1,000.

12. Executive Session: An Executive Session could potentially be held for Land Acquisition/Disposition, Addressing Pending or Potential Litigation, and/or Personnel.

13. Adjourn

12. Approval of the Mayor's Signature for the Statewide Mutual Aid Agreement (Attachment I)

Laura McCanless made a motion to approve the Mayor's signature for the Statewide Mutual Aid Agreement. Mike Ready seconded the motion. The motion was approved unanimously (6/0).

13. Request to close City Offices for the BS&A Conversion (Attachment J)**Mike Ready made a motion to:**

- a. **Close the office May 16th and May 17th**
- b. **Terminate access to online payments on May 15th at 11:59 pm (restore on May 20th)**
- c. **Waive 10% penalties for May 2024**

Laura McCanless seconded the motion. The motion was approved unanimously (6/0).

14. Request to add BS&A Human Resources Software Module to our current contract and to purchase cashiering equipment for payments (Attachment K)

Erik Oliver made a motion to approve both requests. Mike Ready seconded the motion. The motion was approved unanimously (6/0).

15. Proposal for New Monthly Billing Arrangement for City Attorney (Attachment L)

George Holt made a motion to approve the new monthly billing arrangement for the City Attorney. Erik Oliver seconded the motion. The motion was approved unanimously (6/0).

16. Council Appointment to the Oxford DDA (Attachment M)

**DRAFT MINUTES OF THE OXFORD MAYOR AND COUNCIL MEETING
WORK SESSION
MONDAY, APRIL 15, 2024 – 6:45 PM
CITY HALL
DRAFT**

ELECTED OFFICIALS PRESENT:

David Eady - Mayor
George Holt – Councilmember
Jim Windham – Councilmember
Laura McCanless – Councilmember
Erik Oliver – Councilmember
Jeff Wearing – Councilmember
Mike Ready – Councilmember

STAFF PRESENT:

Marcia Brooks – City Clerk/Treasurer
Bill Andrew – City Manager
Mark Anglin – Police Chief
Jody Reid – Supervisor of Utilities and
Maintenance
David Strickland – City Attorney

OTHERS PRESENT: Laura Gafnea (Oxford College)

Agenda (Attachment A)

1. Mayor’s Announcements

Listed in agenda.

2. Committee Reports

- a. **Trees, Parks, and Recreation Board** – No report.
- b. **Planning Commission** – Bill Andrew provided the report.
- c. **Downtown Development Authority** – Mike Ready provided the report.
- d. **Sustainability Committee** – Laura McCanless provided the report.

3. Approval to proceed on the Cemetery Access Road (Attachment B)

There was no opposition to proceeding with the cemetery access road.

4. Information Concerning the IRS Audit on Lack of Tax Forms with City Contractors
(Appendix C)

Marcia Brooks explained the details regarding the audit and the results. She affirmed that staff has adjusted procedures to require a W-9 from all vendors providing any services to the City of Oxford.

5. **Authorization for the Mayor to Sign the contract with Burford's Tree, LLC for Powerline Tree Trimming** (Attachment D)

The City Council agreed to fund the contract at \$50,000 for FY 2024.

6. **Authorization for the Mayor and City Manager to sign the Authorization to Close the Water and Sewer Sinking Fund Checking Account** (Attachment E)

Mayor Eady explained that this request is essentially administrative in nature, but staff felt the need to obtain City Council approval due to the significant amount of money being considered. Staff would continue to reserve the monthly amount, but transfer it to the Water/Sewer Capital account.

Jim Windham stated that it was set aside separately so that the City Council could see where the money was going and ensure that it was not being spent on operating expenses. Ms. Brooks stated that she could provide detailed information each month if the City Council prefers that.

Ms. Brooks asked if a formal vote is needed on it. Mr. Windham suggested transferring 99% of the amount and bring a request to the City Council to close the account.

7. **Update on the Sewer Moratorium** (Attachment F)

Bill Andrew advised the City Council that the moratorium is scheduled to expire on May 13, 2024. Archer Aviation is not anticipating using as much capacity as initially thought, so the City will have a surplus of capacity. Therefore, he feels it is safe to lift the moratorium for the properties served by Catova Creek. The City is still waiting for information for the Turkey Creek service area. By July we should know whether the moratorium should be extended for the Turkey Creek service area or if additional capacity should be purchased.

He stated that the current administration of Oxford College was not aware that their 50-year agreement with NCWSA for capacity had expired. He advised that when a city or county enters into an agreement for capacity it is in perpetuity and cannot be taken away. The goal is to include Oxford College under the City's capacity agreement.

Jim Windham recommended that the City not enter into any long-term agreements for capacity due to the scarcity of water.

8. **Other Business**

None.

9. **Work Session Meeting Review**

- a. Vote to approve bid from Peach State Construction to extend the Cemetery Access Road to Richardson Street.
- b. Vote to approve the contract with Burford Tree for powerline tree trimming.
- c. No vote needed to move the funds from the Sinking Fund checking account to the Water/Sewer checking account. Separate vote to approve closing the account.
- d. Vote to lift the sewer moratorium for the Catova Creek service area and vote to extend the moratorium to July 1, 2024 for the Turkey Creek service area.

10. Executive Session

Jim Windham made a motion to enter Executive Session at 7:38 p.m. to discuss personnel matters. Jeff Wearing seconded the motion. The motion was approved unanimously (7/0).

Laura McCanless made a motion to exit Executive Session at 8:20 p.m. Mike Ready seconded the motion. The motion was approved unanimously (7/0).

11. Adjourn

Mayor Eady adjourned the meeting at 8:20 p.m.

Respectfully Submitted,

Marcia Brooks
City Clerk/Treasurer

**DRAFT MINUTES OF THE OXFORD MAYOR AND COUNCIL
SPECIAL CALLED VOTING MEETING
MONDAY, APRIL 15, 2024 – 6:30 PM
DRAFT**

ELECTED OFFICIALS PRESENT:

David Eady – Mayor
George Holt – Councilmember
Laura McCanless – Councilmember
Mike Ready – Councilmember
Jim Windham – Councilmember
Erik Oliver – Councilmember
Jeff Wearing – Councilmember

APPOINTED/STAFF PRESENT:

Marcia Brooks – City Clerk/Treasurer
Bill Andrew – City Manager
Mark Anglin – Police Chief
Jody Reid – Supervisor of Utilities and
Maintenance
David Strickland – City Attorney

OTHERS PRESENT: Laura Gafnea (Oxford College).

1. The meeting was called to order by the Honorable David S. Eady, Mayor.

Laura McCanless made a motion to accept the agenda for the April 15, 2024 Mayor and Council Special Called Meeting. Mike Ready seconded the motion. The motion was approved unanimously (7/0). (Attachment A)

2. **Consideration of a Resolution to Relocate a Portion of Whatcoat Street**

Mayor Eady provided an overview of the proposed resolution.

Laura McCanless made a motion to approve the resolution. Mike Ready seconded the motion. The motion carried (5/2). Erik Oliver and Jim Windham voted nay.

3. **Consideration of a Resolution for the conveyance of land and property from the City of Oxford to the Oxford Downtown Development Authority for the purposes of redevelopment** (Attachment B)

Mayor Eady proposed that the City accept payment for rental of the Whatcoat Street building that is now due. The DDA would handle any expenses on the property in coordination with Oxford College with funds already in their bank account. He proposed that no funding should be included in the FY 2025 budget for the DDA.

Laura McCanless made a motion to convey the property as recommended. Mike Ready seconded the motion.

Discussion:

Erik Oliver asked why the pre-payment for the next leasing period is not going to the DDA. Mayor Eady stated that the DDA does not need the money because they already have funds available. They will also work out a lease agreement with Oxford College for lease of the building. The City needs the money in its operating budget. Mike Ready added that the DDA did not request any funds and it would be cleaner to put the rental payment in the City's account. The DDA will have a much clearer picture in twelve months of where things stand with redevelopment of the property.

The motion carried (5/2). Erik Oliver and Jim Windham voted nay.

4. Adjourn

Mike Ready made a motion to adjourn at 6:45 p.m. Laura McCanless seconded the motion. The motion was approved unanimously (7/0).

Respectfully Submitted,

Marcia Brooks
City Clerk/Treasurer

This image of the cemetery in its entirety highlights the location of the proposed connectivity/access to W. Richardson Street.

Interestingly, the south side of the cemetery has five access points with W. Collingsworth Street, while the north side only has one access point with W. Richardson Street.

The length of the project would be approximately 60 feet and would require a concrete stormwater pipe with the appropriate headwall.

View of the site from W. Richardson Street.

The removal of this tree is partly what precipitated this effort as this tree had been blocking the road being brought through to W. Richardson Street.

The fill required to create a roadbed over this ditch will be significant.

3. WARRANTY. The standard of care for all professional services performed or furnished by Service Provider under this Agreement will be the skill and care used by members of Service Provider's profession practicing under similar circumstances at the same time and in the same locality. Service Provider makes no warranties, express or implied, under this Agreement or otherwise, in connection with Service Provider's services.

4. **RELATIONSHIP OF PARTIES.** Service Provider is an independent Service Provider and neither Service Provider, Contractors employed by the Service Provider (if any), nor any of their agents are employees of the City of Oxford. Service Provider is responsible for the direction and supervision of its employees and Contractors and shall promptly remove any personnel who are not adhering to the terms of this Agreement. The City of Oxford will **not** provide fringe benefits, including health insurance, paid vacation, overtime, or any other employee benefit for the benefit of Service Provider. The Service Provider shall purchase and maintain insurance for claims covered under General Liability. This insurance shall be written by a company or companies approved by the City of Oxford, and for not less than One Million Dollars, (\$1,000,000.00). Certificates of such insurance shall be filed with the City of Oxford prior to the commencement of the service provided and upon the City of Oxford's request shall name same as an additional insured.

5. **INDEMNITY.** To the fullest extent permitted by law, Service Provider shall indemnify the City of Oxford, its officers, directors, partners, employees, and representatives from and against all losses, damages, and judgments arising from claims by third parties, including reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are found to be caused by a negligent act, error, or omission of Service Provider or Service Provider's officers, directors, members, partners, agents, employees, or subconsultants in the performance of services under this Agreement.

6. **TERM/TERMINATION.** This Agreement shall be effective for a period of **Six (6) Months**, unless the City of Oxford provides 30 days written notice to Contractor prior to the termination of the applicable term.

7. **GOVERNING LAW.** This Agreement shall be governed by and construed in accordance with the substantive laws of the State of Georgia (excluding Choice of Law provisions). In performance of this Agreement, Service Provider will comply with all requirements of applicable state and local law, regulations and ordinances. Service Provider also agrees to abide by all applicable rules and regulations of the City of Oxford.

8. **ENTIRE AGREEMENT.** This agreement contains the entire agreement of the parties, and there are no other promises or conditions in any other agreement whether oral or written.

9. **SEVERABILITY.** If any provisions of this agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

My Commission Expires:

CONTRACT

THIS AGREEMENT made this the 10th day of February, 2022, by and between the **CITY OF COVINGTON**, hereinafter called "Owner", and **Burford's Tree LLC**, a contractor doing business as a corporation of the City of Alexandria, County of Calhoun, and State of Alabama hereinafter called "Contractor".

WITNESSETH: That for and in consideration of the payments and agreements hereinafter mentioned, to be made and performed by the Owner, the Contractor hereby agrees to commence and complete the scope of work as specified for the project entitled:

CITY OF COVINGTON, GEORGIA

2021-27

Electric Right-of-way Clearing

hereinafter called the "Project", for the sum of Five thousand eight hundred seventeen & 00 /100 Dollars (\$5,817) per linear mile of right-of-way and all extra work in connection therewith. Except as expressly set forth herein, the scope of the Project and terms and conditions of this agreement shall be the same as those set forth in the Owner's RFP # 2021-27 dated November 12, 2021, Revised January 13, 2022, attached hereto at Exhibit "A" and incorporated herein by reference. All work shall be performed at Contractor's own proper cost and expense to furnish all materials, supplies, machinery, equipment, tools, superintendence, labor, insurance and other accessories and services necessary to complete the said project in accordance with the conditions and prices stated in such RFP and Contractor's bid.

This contract shall be in effect for twelve (12) months with the option to renew for three (3) additional calendar years upon mutual agreement of both parties. Either party may terminate this contract with thirty days' notice without cause and without further obligation except for payment due for services prior to date of such termination.

The Contractor hereby agrees to commence work under this contract on or before a date to be specified in a written "Notice to Proceed" of the Owner.

CONTRACT (Continued)

The Owner agrees to pay the Contractor in current funds for the performance of the contract.

The Owner and Contractor may, at any time, as the need arises, order changes within the scope of the Project without invalidating this agreement. If such changes increase or decrease the amount due under this agreement, an equitable adjustment will be authorized by written Change Order. All such changes shall be in writing and signed by both parties to be effective. This provision shall not be deemed waived by conduct of the parties.

Contractor or his designee shall be responsible for acquiring any and all permits required for the Work. The City of Covington shall waive all fees on permits issued by the City of Covington. The City shall be responsible for fees associated with any necessary permitting which is outside of their purview and jurisdiction.

Contractor agrees to indemnify, and hold harmless the City, its council members, officers, and employees from and against any and all liability and damages, for injuries to or death of any person or persons, or damage to the property or other rights of any person or persons to the extent arising out of and attributed to the negligent acts, errors or omissions of the Contractor. Contractor's obligation to indemnify, and hold harmless, as set forth hereinabove shall include any matter arising out of any patent, trademark, copyright, or service mark, or any actual unfair competition disparagement of product or service, or other business tort of any type whatsoever, or any actual or alleged violation of trade regulations. Contractor further agrees to indemnify, and hold harmless the City, its council members, officers, and employees from and against any and all claims or liability for compensation under the Worker's Compensation Act arising out of injuries sustained by any employee of the Contractor.

IN WITNESS WHEREOF, the parties to those presents have executed this contract in the year and day first above mentioned.

SPECIAL TERMS AND CONDITIONS

I. Contract Period:

The contract shall be in effect for twelve (12) months with the option to renew for three (3) additional calendar years upon mutual agreement of both parties. Either party may terminate this contract with thirty days' notice without cause and without further obligation except for payment due for services prior to date of such termination.

II. Submission of Bids

Proposals shall be enclosed in sealed envelopes, addressed to the City of Covington Purchasing Department with the name of the bidder, the date and hour of opening and marked "**2021-27 Electric Right-of-way Clearing Bid**". Bids must be received in the Purchasing Department no later than the date and time (determined by the date/time stamp in the department) set forth in the Invitation to Bid. It is the sole responsibility of the bidder to ensure that his or her bid reaches the Purchasing Department. Any addenda should be enclosed in the sealed envelopes as well.

Unsigned bids will not be considered except in cases where bid is enclosed with other documents, which have been signed. The City will determine this.

City of Covington is exempt from federal excise tax and Georgia sales tax with regards to goods and services purchased directly by City of Covington. Suppliers and contractors are responsible for federal excise tax and sales tax, including any taxes for materials incorporated in City construction projects. Suppliers and contractors should contact the State of Georgia Sales Tax Division for additional information. Tax Exemption Certificates will be furnished upon request.

Information submitted by a bidder in the bidding process shall be subject to disclosure after the public opening in accordance with the Georgia Open Records Act. Each page of proprietary information must be identified. Entire bid may not be deemed proprietary.

III. Requirements

The Owner reserves the right to refuse to issue any voucher and to direct that no payment shall be made to the contractor in case they have reason to believe that said contractor has neglected or failed to pay any subcontractor, material dealer, worker or employee for work performed on or about the project including work as set forth in these specifications, until the Owner is satisfied that such subcontractors, material dealers, worker, or employees have been fully paid. However, this provision shall not obligate the Owner to intervene in any claim.

The Contractor shall be responsible for all material and work until they are finally accepted by the Owner, and shall repair at his own expense any damage that they sustain before their final acceptance. The Contractor shall be responsible for all damages to the proportionate extent caused by him of whatever nature and must settle all claims arising from such damage without cost to the Owner; he shall act as defendant in, and bear the expense of each and every suit of any and every nature which may be brought against him or the Owner, to the proportionate extent caused by Contractor's negligent performance of the work under the Contract. Should any claim arise, the Owner may hold back sufficient money to meet said claims or until the Contractor has satisfied the Owner that all claims against him as the result of his work have been adjusted. He must also show that there are no claims or liens whatsoever outstanding at the completion of his contract before final payment is made.

The Contractor shall comply with all laws, ordinances, rules, orders, and regulations relating to performance of the work, the protection of adjacent property, and the maintenance of passageways, guard fences or other protective facilities.

No roadway shall be closed or opened except by express permission of the Owner and the Contractor's proper notification of local fire and police departments. Precaution shall be exercised at all times for the protection of persons and property. Machinery, equipment and other hazards shall be guarded in accordance with the safety provisions of the manual of Accident Prevention in Construction, published by the Associated General Contractors of America to extent that such provisions are not in contravention of applicable laws.

The Contractor shall provide all necessary equipment in good repair. Any equipment not adapted for the work or in such repair as to be dangerous to the project or workers shall not be used.

The Contractor shall be responsible for all injury or damage of any kind resulting from his work, to persons or property. The Contractor hereby assumes the obligation to indemnify and save harmless the Owner and Engineers including associates, agents and representatives, from every expense, liability, or payment arising out of or through injury to any person or persons including death and loss of services, or damage to property, regardless of who may be the Owner of the property, to the proportionate extent caused by Contractor's negligent performance of the work involved in the contract and to defend on their behalf any suit brought against them arising from any such cause.

The contractor will be responsible for all traffic control and conform to the guidelines set forth by the Manual on Uniformed Traffic Control Devices, Part 6.

Care shall be exercised in construction operations to minimize erosion. Temporary sediment control structures will be erected according to the Erosion, Sedimentation and Pollution Control (ES&PC) plan. Also Contractor shall comply with the State of Georgia and any applicable local Regulations for erosion control.

TORT IMMUNITY:

No officer, employee, or agent of the City acting within the scope of his/her employment or function shall be held personally liable in tort or named as a defendant in any action for injury or damage suffered because of any act, event, or failure to act.

SILENCE OF SPECIFICATIONS

The apparent silence of these specifications and any supplemental specifications as to any details, or the omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type, size and design are to be used. All workmanship is to be first quality. All interpretations of this specification shall be made upon the basis of this statement, with City interpretation to prevail.

OPTION TO AUDIT

Successful bidder will be required to maintain complete records during the life of the contract and for a period of one year after completion of the contract. Such records are to be made available to the City if officially requested, to be audited by a designated City auditing staff. In such audits reveal overcharges and/or undercharges, such will be adjusted and compensation made by either party to correct charges.

STANDARD INSTRUCTIONS:

1. The instructions contained herein shall be construed as a part of any bid invitation and/or specifications issued by the City of Covington and must be followed by each bidder.
2. The written specifications contained in this bid shall not be changed or superseded except by written addendum from the City of Covington. Failure to comply with the written specifications for this bid may result in disqualification by the City of Covington.
3. All goods and materials shall be F.O.B. Destination Covington, Georgia and no freight or postage charges will be paid by the City of Covington unless such charges are included in the bid price.
4. The following RFP# **2021-27 Electric Right-of-way Clearing Bid** must be written clearly on the outside of each bid envelope in order to avoid prior opening in error. Bidder shall hold a current utility contractor license issued by the State of Georgia Construction Industry Licensing Board and shall bear the current license number on the outside of his bid envelope
5. All bids must be received and in-hand at bid due date and time. Each bidder assumes the responsibility for having his/her bid received at the designated time and place of bid due date. Bids received after the stated time and date may be subject to rejection without consideration, regardless of postmark. The City of Covington accepts no responsibility for mail delivery.
6. Unless otherwise stated, all bids submitted shall be valid and may not be withdrawn for a period of 60 days from the due date.
7. Each bid form submitted must include the name of the business, mailing address, the name, title and signature of the person submitting the bid. When submitting a bid to the City of Covington, the first page of your bid package should be the bid form listing the price, delivery date, etc., unless the bid form is requested to be in a separate envelope.

8. The City of Covington reserves the right to accept a bid that is not the lowest price if, in the City's judgment, such bid is in the best interest of the City and the public. The City of Covington reserves the right to reject any and all bids.

9. Telephone, Telegraphic or Facsimile bids will not be accepted.

10. No sales tax will be charged on any orders. City of Covington is exempt from federal excise tax and Georgia sales tax with regards to goods and services purchased directly by City of Covington. Suppliers and contractors are responsible for federal excise tax and sales tax, including any taxes for materials incorporated in City construction projects. Suppliers and contractors should contact the State of Georgia Sales Tax Division for additional information. Tax Exemption Certificates will be furnished upon request.

11. If applicable, completed questionnaires must be signed manually. The City of Covington reserves the right to accept or reject any bid on the basis of incomplete or inaccurate answers to the questionnaire.

12. If applicable, warranty information shall be provided.

EXHIBIT "A"

City of Covington Electric Dept.

The City of Covington is seeking competitive sealed bids on right-of-way clearing for nineteen (19) electric distribution circuits out of seven (7) substations. The City of Covington desires to engage a private tree trimming contractor to perform distribution line clearing and tree removal typical to electric distribution lines both in rural and urban environments. The nineteen (19) circuits referenced herein comprises approximately 430 linear miles of right-of-way. **Clearing must consist of a minimum of 108 linear miles and NOT TO EXCEED a maximum of 115 linear miles per twelve month calendar year.**

Introduction

The intent and purpose of this Request for Proposal (RFP) is to establish a contract with a qualified Contractor who can provide supervision, labor, equipment, traffic control, debris removal, and incidentals necessary to perform tree and brush cutting and removal services on various utility rights-of way, utility lines, and roadways in and around Covington, Georgia in accordance with the Scope of Services in this RFP.

Scope of Services and Standards of Work

Contractor obligations:

The Contractor is to supply labor, tools, and equipment specified as necessary to provide forces capable of independently performing line clearing along power lines belonging to the City of Covington. The Contractor will also make available a Giraffe tree trimming apparatus for areas on the system where conventional tree trimming is not possible. The Contractor will make a crew available as needed for emergency situations and storm duty on an hourly basis. All tree trimming work is to be accomplished in accordance with the directions of the designated representative of the City of Covington electric division, within the scope of this RFP.

Typical right-of-way:

A typical City of Covington right-of-way is twenty (20) feet in total width, with a conductor in the center. Some rights-of-way, especially in areas outside of the city limits, may be thirty (30) feet in total width. Joint use agreements with telephone/cable utilities exist, and unless directed by the City, electric right of- way maintenance shall include adequate clearance of all active overhead utilities utilizing the right-of way, including clearing vegetation from poles and guys.

Clearing of wood waste:

It shall be the financial and physical responsibility of the Contractor to daily dispose of all wood and wood products resulting from the pruning and removal process. The City shall supply a location to dispose of inert, clean wood waste or chippings.

Clearing distance:

All distribution line right-of-way must be cleared to a minimum of ten feet (10') from any energized conductor. Only side and top pruning are permitted with a minimum clearance of ten feet from the energized conductors. All overhanging limbs must be removed unless there are special unsafe conditions that would prevent removal. The final decision concerning leaving overhanging limbs will rest solely with the City.

Live tree removal:

Trees six inches (6") or less in diameter that will require pruning in future years shall be removed from the right-of-way, with the exception of low-growing trees (for example, dogwoods, redbuds, or ornamental trees) and landscape quality trees six inches (6") or less in diameter. In some cases, the City may have a customer agreement to leave tall-growing trees six inches (6") or less in diameter in the right-of-way. In these cases, all vegetation will be pruned for a minimum clearance of ten feet (10'). All trees larger than six inches (6") in diameter located in the right-of-way shall only be removed at the discretion of the City. Unless otherwise specified by the City, all cutting for existing-right-of-way clearing shall be as close to the ground as the topography and type of soil will allow, with a maximum remaining height of four inches (4") for brush stubs and six inches (6") for tree stumps.

Dead tree removal:

All tall dead or dying trees located outside the pruning zone shall be removed if, in the sole opinion of the City, they present a hazard to the existing power lines.

Secondary conductors:

Secondary conductors shall be pruned a minimum of ten feet (10') from bare conductors and five feet (5') from conductors with weather-proof coating. The definition of a "secondary conductor" for tree pruning is as follows: Open three-wire or triplex conductors that carry current from the secondary side of a distribution transformer to a lift pole or poles serving more than one customer. Secondary conductors shall be pruned from the connection at the transformer to the last lift pole.

Street lighting conductors:

Street lighting conductors shall be pruned a minimum of five feet (5').

Service drops:

Service drops shall be pruned a minimum of five feet (5'). The definition of a "service drop" is as follows: Secondary conductors, which carry current from the secondary side of a distribution transformer to a single customer connection or from the last life pole serving more than one customer.

Order of work:

Circuit trimming shall begin at the substation and proceed in a logical, orderly manner unless another starting point is identified by the City. Contractor shall not skip around on the circuit area.

Pricing

Pricing is to be per linear mile and shall include all labor, material, and equipment to accomplish the right-of-way clearing as defined herein in this solicitation for bids. Additionally, the Contractor shall provide hourly pricing for requested emergency or storm duty. For clarification, the hourly rate for emergency services will be based off a Three (3) person crew which shall consist of one (1) foreman, one (1) trimmer and one (1) ground man. The equipment required shall consist of one (1) bucket truck, one (1) chipper truck and a minimum 12" chipper.

Circuit maps

Circuit maps shall be provided to Contractor for review prior to bid submission. Maps are available to be viewed free of charge during normal business hours. A copy of the circuit maps will be provided. A copy may be retained by the Contractor for its use in bidding and for no other purposes.

Safety

Job site activities shall at all times be conducted in accordance with applicable Federal, State and Local requirements to include but not limited to the National Electric Safety Code and the Georgia Department of Transportation Manual on Uniform Traffic Control Devices.

Work Week / Hours of Operation

The work week will coincide with the City of Covington's normal working hours. These hours are 7:00 AM to 5:00 PM, Monday through Friday, excluding holidays. The City observes ten holidays per year. The Contractor's hours of operation may be extended by approval of the City of Covington's designated representative, but in no cases shall the hours of operation be extended beyond the period of 7:00 AM to 7:00 PM, Monday through Friday.

Damage to Facilities / Insurance Requirements

The Contractor shall be responsible for damages by its forces to any City of Covington utility facilities or customer owned facilities. Furthermore, any damage to utility facilities not owned by the City of Covington but which may be attached to City of Covington utility poles through a valid joint use agreement shall be the responsibility of the Contractor. The Contractor shall submit proof of Comprehensive General Liability Insurance carried in the minimum amount of \$1,000,000 bodily injury and \$1,000,000 property damage. Proof of insurance must be submitted to the City of Covington prior to execution of the contract for services.

Supervision / Customer Notification

The Contractor shall remain in close communication with the City of Covington designated representative. No work shall commence that has not been directed by the City of Covington designated representative. Contractor shall not respond to customer requests or make any representations to City of Covington customers, and instead shall refer such requests to the City's representative. Customer notification of work to be performed at or near customer premises shall be made by the City of Covington designated representative.

Contractor Employees

All employees of the Contractor, while working or performing the line clearing activity of the City of Covington, will be required to wear uniform shirts and/or coats identifying them as employees of the Contractor. Employees will maintain a professional attitude toward the work being performed and toward any and all customer contacts incurred while working on the City of Covington's system.

Contractor Equipment

All equipment used by the Contractor on the City of Covington's system shall be in good working condition and have a good general appearance. All safety systems shall be properly engaged and utilized by Contractor and its employees. It is required that the contractor currently have in their fleet or have immediate access to a bucket truck with a 75-foot working height when necessary.

Payment

Invoices may be submitted by Contractor for payment at Contractor's discretion, but submissions shall be made no frequently than weekly. Payment terms for each invoice shall be "Net 30 Days" from the date the invoice is received by the City of Covington. Contractor shall invoice City based upon the "percentage of completion" method, with the percentage of completion determined by the footage or mileage of the electric circuit where work has been completed divided by the total footage or mileage of the circuit. Maps of each circuit shall be provided to the Contractor that delineates the linear footage of the circuits between spans.

Assignment

No assignment, subcontracting, subletting, or transferring of the Contractor's obligations or the Contractor's right to receive payment hereunder shall be permitted without written approval of the City of Covington.

Term / Limitation of Time to Complete Work

The contractor is expected to start work promptly after the execution of the contract. Work shall begin within 90 days of the execution date of the contract, and at a minimum a quarter of the system (~ 108 miles of line) and a maximum of (115 miles of line) shall be completed yearly.

Indemnification

The Contractor agrees to and shall indemnify, defend and hold the City of Covington harmless from and against all liability, loss, damages or injury, and all costs and expenses (including attorneys' fees and costs of any suit

related thereto), suffered or incurred by the City to the proportionate extent, arising from or related to Contractor's negligent performance under this contract.

References

The Contractor shall supply, with its bid, professional references of companies or organizations for which it has performed similar right-of-way clearing work within the last 24 months. At least three (3) references shall be included with a contact name and telephone number.

RE: Request to close Sinking Fund

This request is for authorization to close our United Bank Sinking Fund account and deposit the remaining balance into our Water/Sewer Capital Account. Per the City Council's instructions at their April 15, 2024 work session, I have transferred \$710,000 to the Water/Sewer Capital account. This leaves about \$10,000 remaining in the account.

The Sinking Fund was created at some time in the past when a GEFA loan was paid off. The City Council determined that the amount of the monthly payment should be placed in a reserve account. I am able to document activity in this account at least as far back as January 1, 2013. Given that this account serves the same purpose as the Water/Sewer Capital Account, I would like to eliminate one bank account and deposit all monthly payments going forward to the Water/Sewer Capital Account.

**RESOLUTION TO ADOPT A
MORATORIUM ON THE ACCEPTANCE OF APPLICATIONS FOR NEW
CONNECTIONS TO THE SEWERAGE COLLECTION AND TREATMENT
SYSTEM OF THE CITY OF OXFORD UNDER THE
MUNICIPAL CODE OF OXFORD, GEORGIA**

WHEREAS, the City Council of Oxford, Georgia ("City Council") under the Constitution and Laws of the State of Georgia is empowered by virtue of its police power to regulate the health, safety and welfare of the citizens of the City of Oxford to provide for and enact rules and regulations governing the use of utilities furnished by the City;

WHEREAS, the City of Oxford Charter empowers the City to regulate municipal utilities furnished by the City;

WHEREAS, the City Council exercised its authority to enact rules and regulations governing the use of utilities furnished by the City by adopting the "The Code of the City of Oxford, Georgia" ("City Code") on 10/02/2006;

WHEREAS, Chapter 36, Article I of the City Code provides for the promulgation of regulations governing the use of utilities furnished by the City;

WHEREAS, the City Council has reviewed the current state of the utilities provided by the City as applied to new connections to the sewerage collection and treatment system of the City of Oxford, Georgia;

WHEREAS, the City Council has determined that, in its current state, the sewerage collection and treatment system of the City of Oxford may not effectively service its future customers at its current flow;

WHEREAS, the City Council has partnered, or is seeking to partner with the Newton County Water and Sewerage Authority (NCWSA) for a sewage flow and capacity study of the Turkey Creek Basin, and Dried Indian Creek Basin, which together comprise the entirety of the Service Area of the City of Oxford, Georgia, to determine if the current collection system and wastewater treatment plant capacity is adequate to future needs;

WHEREAS, the City Council has determined that new connections to the sewerage collection and treatment system of the City of Oxford, Georgia would not be advisable until the NCWSA study is complete;

WHEREAS, the City Council has determined that it is in the best interests of the citizens of Oxford, Georgia for the adoption of appropriate policies to protect the sewerage collection and treatment system of Oxford, Georgia and to address potential issues caused by an increase in flow; and

WHEREAS, the City Council desires to briefly control and prohibit the approval of applications for new connections to the sewerage collection and treatment systems of the City of Oxford until such time as appropriate measures can be accomplished to accommodate new connections;

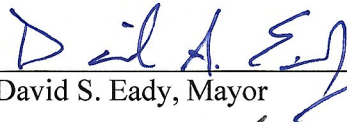

NOW THEREFORE, IT SHALL BE AND IS HEREBY RESOLVED by the City Council of Oxford, Georgia, and the following Resolution shall be and is hereby enacted, as follows:

Section 1: Enactment of a Moratorium on New Connections to the Sewerage Collection and Treatment System of Oxford, Georgia. The City Council hereby adopts, for a period of one hundred eighty (180) days beginning on the date of adoption of this Resolution, a moratorium on the receipt, acceptance, consideration and approval of any applications for new connections to the sewerage collection and treatment systems of the City of Oxford., and enacts and directs any and all applicable personnel and agencies of Oxford, Georgia to enforce a moratorium on the same.

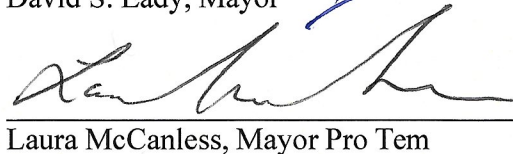

Section 2: Duration. The moratorium period shall commence on Tuesday, November 14, 2023 at 12:00 a.m. and shall terminate on Monday, May 13, 2024 at 11:59 p.m., unless further extended by the City Council.

Section 3: Impact on Other Development Ordinances. The provisions of this resolution shall not restrict or prohibit any other development of any real property except that specifically stated herein.

Memorandum

To: Mayor and City Council
From: Bill Andrew, City Manager
Date: April 12, 2024
RE: Recommendations for Sewer Moratorium

Background for the Catova Creek Line

It should be noted that 12-inch Catova Creek sewer line has a physical capacity of 640,000 gpd

+75,000 gallons per day (gpd) is the treatment capacity Oxford has in the Catova Creek line from the July 28, 1995 Agreement with Covington

-36,900 gpd is in use (approximately)

38,100 gpd is available (at best*)

-18,300 gpd is being purchased by Archer Aviation for Phase 1 (Phase 2 may add another 37,500 gpd)

19,800 gpd available

+18,000 gpd purchased from Covington

37,800 gpd available

Recommendation for the Catova Creek Line

Due to Archer holding off on the purchase of their entire need of 55,800 gpd, the recommendation of staff would be to lift the moratorium on the Catova Creek Line. It should be noted that discussions in 2022 brought up a possible need for the Phillips Property of 90,000 gpd for homes and 40,000 gpd for industrial. Covington had indicated 300,000, now 282,000 gpd was available for purchase at \$22.00 per gallon.

*The current sewer capacity/flow study should give us a solid idea of how much inflow and infiltration (I&I) is occurring. Inflow is the flow of precipitation into sanitary-sewer pipes through, for example, leaky manholes and gutter downspouts. Infiltration is the flow of groundwater into the same pipes through fractures, leaky joints, and other defects. Once we have a handle on the I&I, we will develop and plan on what works needs to be done and then design a corrective action plan.

Background for the Turkey Creek Line

It appears the City of Oxford has 135,000 gpd in the Turkey Creek Line, which discharges to the Newton County Water and Sewerage Authority (NCWSA) Yellow River plant near Porterdale.

Emory University has an additional 85,000 gpd in this line. The NCWSA would like to combine these two entities under one allocation to the City of Oxford.

The flow study is necessary to learn what the capacity of the line and pump stations are currently and what loads they are handling. The flow monitoring equipment was pulled the week of March 25th. The engineers will need a month to process the data before it is ready for review. The report is planned for release around June 1st. Once the report is complete, we will have a clear picture of the next steps regarding available capacity and the need to purchase additional capacity for the City and Emory.

Recommendation for the Turkey Creek Line

Due to the need for more information, staff would recommend we extend the sewer moratorium until July 1, as June 17th will be our Work Session and July 1st will be our Regular Meeting.
